Compliance History (Previous 2 years)

Type of Action	Area of non-compliance	Date
Nil		August 2026

For parents and carers:

- Your service has filled in this report so that you can see a summary of their quality and compliance history.
- It also includes any offences for which the approved provider or a nominated supervisor of the service has been prosecuted that results in a finding of guilt or the recording of a conviction.
- Services must display their quality and compliance history in a prominent position, clearly visible from the main entrance.
- Services must update their quality and compliance history template within 7 days of any change to the history.
- Family day care (FDC) services must display the quality and compliance history at each FDC residence and venue as well as the principal office.

Speak to your service management if you would like more information about the quality and compliance history contained in this report.

Services are required to provide access to their compliance record at any time, on request.

For more information about your services compliance history, you can also visit the VECRA website at <http://www.vecra.vic.gov.au/enforcement-action>
